ST. PETROX CHURCH, DARTMOUTH

THE GARDEN OF REMEMBRANCE

The Garden of Remembrance is available for burial of cremated remains in the central lawn area. **Anybody is entitled to have his or her ashes buried there.** Because space is at a premium, we are not able to allow headstones or the marking of any of the graves.

The cremated remains will be "funnelled" directly into the ground about 18" deep as is the practice at most crematoria in their Gardens of Remembrance. Details of the deceased may be placed in our Book of Remembrance, which will be open on the day of death throughout the year in St. Petrox Church. The book is in a glass-topped cabinet, which is under the tower.

The cost of an entry in the Book of Remembrance is £35.00 and it has to be restricted to two lines. A sample copy of a page is attached. The larger type is in blue (usually the whole of the first line) and the small type is in black. Attached is a form should you wish to have an entry made.

The cost of the burial in the Garden is the statutory church fee of £162.00 to include a short service at the graveside if you wish, plus a fee of £20.00 for the preparation of the grave (£30.00 for a double plot).

Should you wish to make a donation towards the upkeep of the Garden of Remembrance, please add this to your payment. If you pay UK tax, it would be appreciated if you could kindly complete the tax declaration attached.

Please contact the Benefice Office in St. Saviour's Church on 835540 (Mondays – Thursday 9.30-5.00) if you wish to make any arrangements.

Please complete the enclosed forms and return them with your payment for the cost of burial together with the cost of an entry in the Book of Remembrance (if applicable) and any donation towards the upkeep of the Garden by cheque payable to **Parish of Dartmouth PCC** to the Parish Office.

Alternatively, you can pay by BACS and the details are as follows:

Account Name: Parish of Dartmouth PCC

Sort Code: 30-98-69

Account Number: 34065360
